

The Three Peaks Challenge

Help us make a difference. For all the world's children.

Welcome to our Three Peaks Challenge website. Perhaps you are wondering what we are doing and why we want to do it. The whole idea is to climb up and travel between the three highest mountains in Scotland, England and Wales in as little time as possible, and to raise at least £600 for UNICEF. We hope you can help us to achieve this goal.

There are couple of reasons we decided to do it:

1. we love hiking
2. climbing The Three mountains of the UK sounds like a lot of fun
3. as one of us is a bit obsessed with charity work, she decided to fundraise for UNICEF and made us all very enthusiastic about it!

On this website, you can not only [DONATE](#) but also keep up to date with our training and fundraising plan, photo blog, and find out what your money can do as well as learn more about the 3P challenge itself.

Each donation is very much appreciated. As little as £1 gives 10 children living with HIV a week's supply of life-saving antibiotics.

Thank you for visiting this website and for your support!
